

# EU Commission Appeals EU General Court's Judgment in Micula

On 27 August 2019, the European Commission filed an appeal before the Court of Justice of the European Union against the judgment of the EU General Court handed down on 18 June 2019 in the Micula case.

[As we discussed previously](#), in its judgment of 18 June 2019, the EU General Court annulled the 2015 European Commission's decision which found that an ICSID arbitral award handed down against Romania in favour of Swedish investors (the Miculas) amounted to State Aid.

The case is filed under the number [C-638/19P \(Commission v. European Food and Others\)](#). A summary of the main grounds of appeal should be published in the coming weeks in the EU's Official Journal.
